"Original Equipment Manufacturer For Texas Instruments"

President's Message

"With A Song in our Heart", we are pleased to present our 37th Annual Christmas Show. As "one of our wonderful songs" goes tonite —

> "We like to see for a fact the kind of Top Drawer, First Rate Chums we Attract."

If any degree of success can be attributed to the Thoroughbreds, its because of you, our patrons who fill the theatre each year with your presence and warm our hearts with your applause. After all, "What is it that we're singing for"?

Perhaps "The Night Before Christmas" will kindle the glow of warmth in your heart to ring in the Holiday season. "We'll Be Home For Christmas" but no matter where you are "We Wish You A Merry Christmas and A Happy New Year.

God Bless,
Bruce Garwood
Chapter President

"A Dedication"

In Memory of

JOE CUTSINGER

1911 - 1982

Anyone who had contact with Joe Cutsinger immediately liked him. The everpresent smile, the firm handclasp, and the booming voice that always had a trace of laughter insured that.

Anyone who has travelled the quartet circuit or who made District and International Conventions found that Joe was widely known and respected for his contribution to the Society.

The image of Joe Cutsinger is one to be desired by all men and he achieved the ultimate goal in life. He was a happy and contented man.

Joe Cutsinger was a friend. He was competely dedicated to the things all men should hold dear . . . his God, his family, his job and barbershopping.

God love you, Joe, we'll miss you.

TEST DRIVE A VOLVO. YOU WON'T BE SWAYED EITHER WAY.

Heavy stabilizers front and rear keep Volvo "roll" to a minimum when cornering. Front wheels independently suspended by McPherson struts and rack and pinion steering give you predictable steering control. So when you change lanes at high speed, Volvo goes where you point it.

If your car doesn't handle this well, change direction. And come to our place for a new VOLVO.

Traditional Christmas Finale

MERRY CHRISTMAS TO ALL

Characters Played By Ron Brumleue & Barry Simpson

The Classic Collection
A Tradition Of Excellence

The quartet you are about to hear is testimony to the fact that four part, unaccompanied barbershop quartet harmony is still being sung, and that it is still a joy to hear. Here is a cappella singing in its most refined essence, there being no instruments to camouflage the beauty of perfect 5ths, perfect 3rds, and perfect chords throughout a thrilling performance.

The Classic Collection quartet rose to the fore swiftly and gracefully, winning the admiration and respect of barbership quartet devotees, first in the central states, then in the Rocky Mountains, their adopted home, and then nationally via the annual convention and contests sponsored by the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.

As Central States District champs and then Rocky Mountain District champs, they marched victoriouisly into the upper echelon of quartet competition with a legion of enthusiastic and appreciative followers. Now, six years after the formation of the present foursome - George Davidson, baritone; Terry Heltne, bass; Larry Wilson, lead; Curt Hutchison, tenor - the Classic Collection has its own collection of bronze and silver medals, and on July 2, 1982 in Pittsburgh, PA earned the coveted gold medal - International Champions.

All in their early thirties, and members of the Denver Mile-Hi Chapter of SPEBSQSA, this perfect blend of voices is also a meld of personalities, families, jobs, and even vacations. Wedded on this performance is something old, something new, something borrowed and nothing blue - barbershopping is rated W, for Wholesome. They've sung from coast to coast and border to border, but in case you've missed them may I present the pride of the Rocky Mountain West, your 1982 International Champions, a truly Classic Collection.
